Dear Carl,

I want to thank you for your help with the Martha Stewart Home Fabric launch. As a consultant/decorator on the project, I was able to present Martha Stewart Living with detailed, quality presentations which included upholstered walls and furniture, custom designed beds, table skirts, and an array of window treatments, pillows, etc. In the fast paced world of advertising, it is unusual to find a workroom like yours that can consistently turn around complex work to meet short deadlines, without ever compromising detail or quality. I have come to rely upon your professionalism in handling my work – both advertising and residential, and look forward to an enduring and productive relationship in the years to come.

Thanks again.

All the best,

A handwritten signature in black ink, appearing to read "Christopher Maya", with a long horizontal flourish extending to the right.
